Packaged in each liner carton are "No Diving" labels; an owner's manual containing the current Association of Pool and Spa Professionals safety standards; maintenance and operating information; the APSP publication, a warranty card; and a weather resistant sign to be posted near your pool. "No Diving" signage must be installed on the coping around the perimeter of your pool. "Caution" signage also must be affixed to the steps. KEEP YOUR EYE ON THE CHILDREN. Continually supervise the swimmers in your pool. USE THE SAFETY ROPE. The safety rope and floats should be attached at all times. Any use of diving boards, diving equipment or slides must be in strict compliance with the equipment manufacturer's specifications, the Association of Pool and Spa Professionals standards, and local building codes and regulations. We recommend removal of such items that do not comply. Consult your dealer for sizes and specifications. Liner patterns and colour depicted in this brochure are representative of the actual liner material; however, variations in colour and shading may occur.
